Patient Instructions:

1. Please call us to schedule your first appointment.
2. Before your first visit:
 - a. Our receptionist will send you a medical history and a registration form to complete and return to our office prior to your appointment. This includes insurance information that will allow us to identify benefits and estimate co-payments if applicable. These forms are also available online.
 - b. Please bring any recent x-rays, tests or instructions from your dentist or doctor with you at the time of your visit.
3. During your first visit:
 - a. Minors must be accompanied by the parent or guardian.
 - b. Plan on being with us for 45 minutes to 1 hour for your initial visit.
4. To fully manage your concern, you may need more than one visit.
5. We look forward to meeting you and are happy to answer any questions before you arrive.
